Office Notes:

### What to wear

In general, athletic clothing you wear for walking, jogging, hiking, biking or cross country skiing is appropriate for platform tennis. Unlike our tennis all-white apparel policy, colored apparel is encouraged in platform tennis. You'll want to wear what you can move around in without feeling constricted. Think clothing layers! As you generate body heat by playing, you will find yourself shedding a layer or possibly two or three! Tennis sneakers or footwear meant for cross training are best. Running and track shoes are NOT recommended for two reasons: they do not provide the lateral support necessary for your feet, and they tend to flare out on the sole, running the risk of catching that edge of the sole on the court and tripping the player.

### Weather Make-up Policy

If clinic is cancelled due to inclement weather, your session will be extended by one week.
